

## **Day One of the 2,520 days of the 70th week of Daniel**

1. The strengthening of the Abrahamic Accord.
2. The two Old Testament prophets, Moses and Elijah, that arrive on the streets of Jerusalem, on the very day that begins the 70th week of Daniel doing signs and wonders that are so earth shaking, they raise the ire of all the earth dwellers that want them killed as they have brought drought and plagues upon the earth, and anyone that attempts to do them harm are killed as they are fire breathing.
3. The cosmological change in the tropical year that will change from 365.23 days to 360 days, resulting in signs in the heavens that will challenge and shock the world's false prophets of modern science.
4. A temporary and false peace that will introduce a new world leader that the Bible calls the anti-christ.

## **Before the Middle of the 70th week of Daniel**

5. Israel granted permission to rebuild the Jewish temple on the temple mount next to the Dome of the Rock.
6. Worst earthquake ever reported on the earth with the added news of a sun that has gone dark, and a blood red moon.
7. This is followed by 1/3 of the green grass and 1/3 of the trees on earth being destroyed by fire and hail mixed with blood.
8. Then followed by 1/3 of the sea creatures and 1/3 of the ships in the seas being destroyed in the sea that has turned to blood.
9. And then 1/3 of the springs and rivers of water turn toxic and bitter causing the death and sickness.
10. Followed by all the heavenly bodies including the sun, moon and, stars losing 1/3 of their luminescence.
11. 5 months of torment from creatures that have a sting like a scorpion.

12. And to cap off what happens before the middle of tribulation, 1/3 of mankind dies from exposure to fire, smoke and, volcanic brimstone.

**We have now reached the 1,260th day of the 70th week of Daniel.**

13. Next comes a sign that no one will miss, as we are told that 1,260 days after their arrival to the streets of Jerusalem the anti-christ murders the two witnesses Moses and Elijah, and their dead bodies lie in the streets of Jerusalem unattended while the whole world rejoices by sending gifts to one another. But then three days later, to the utter amazement of the world, they rise from the dead and ascend to heaven.

14. And this is also when the 144,000 Jewish evangelists that have been protected and sealed by God, sometime at the beginning of the 70th week of Daniel, are raptured up to heaven leaving no human witnesses to the Everlasting Gospel or the Gospel of the Kingdom on the earth.

15. Yeshua identifies the middle of this 2,520 days as he reports that after 1,260 days the anti-christ goes into the Holy of Holies, in the rebuilt temple, and declares himself to be God.

16. An angel arrives from heaven to preach the Everlasting Gospel of the Kingdom, after the midpoint of the 70th week of Daniel. Another arrives warning everyone NOT to take the mark of the beast.

17. The anti-christ goes into the temple and declares he is God. Demands worship and takes over the economy of the world rewarding those that worship and pledge allegiance to him with a mark that allows them, and them only, to buy and sell. No mark, no ability to buy or sell anything.

18. An earthquake takes place in Jerusalem killing 7,000 people.

19. Millions of Jews flee Jerusalem and head for the hills based on prophecy regarding the abomination that causes desolation in the temple, when the anti-christ declares he is God.

**Immediately after the midpoint of the 70th week of Daniel.**

**After 1,260 days this is what happens.**

20. Loathsome sores on all those that have taken the mark of the beast.

21. All the Seas turn to blood and All the sea creatures die.

22. All the springs of water and rivers become like blood.

23. The sun heats up to unbearable temperatures that break all previous heat records by multiple degrees.

24. The battles that will end with the final battle of Armageddon, begin.

25. 100 pound ice cannon balls, called hail stones, pound the earth.

26. The greatest earthquake to ever hit the earth at the beginning of the 70th week of Daniel is surpassed by an earthquake that literally flattens cities, levels mountains and removes all the islands of the earth.

27. Mystery Babylon is destroyed (some believe this is NYC).

28. The final battle of Armageddon lasts ONE YEAR according to Isaiah 34:8, and according to the Ezekiel 4 Prophecy we can expect it to begin in the around the time of the Day of Atonement in 2030 AD, and come to and end on the Day of Atonement one year later in 2031 AD, as the LORD comes from heaven back to the earth where he pours out his wrath on all the nations that have assembled to destroy Israel. And this is the end of the 2,520 days of the 70th week of Daniel.

**The entire 7 years is attended by time markers so that anyone that cares to read the Bible in one hand and the signs of the times that will be reported as Headlines in all the news outlets that survive during this great and terrible day of the Lord. No one will be surprised by the coming of the LORD as it has been advertised on every news outlet for 7 years and the LORD has not hidden it as there are markers at the beginning, the middle and the end that are all prescribed to happen within 2,520 days.**
